Submitted Work

Submitted Dec 10

WORK NOTES

Collected Q4 financial data from all 6 sub-teams — Operations, IT, HR, Procurement, Finance, and Compliance. All figures reconciled against the central ledger. 3 minor discrepancies flagged in the Operations sub-team data (rows 14, 27, 52) and escalated to the respective team leader. Data is otherwise complete and ready for the report drafting stage. Supporting spreadsheet and signed sign-off sheet attached below.
